ANDERS EDENROTH

# Water

A poetic, political and philosophical perspective on this transparent  
matter so essential to the survival of every living creature.  
Some of us take it for granted, others  
perish from the lack of it.

Composed by ANDERS EDENROTH

$\text{♩} = 122$   
**A** First 15 bar break only when performing the double choir version\*

16 **B** x = Plastic bottle
